# Dentistry and Dental Implants

May 09-10, 2016 New Orleans, USA

**Paul L Ouellette**

*Jacksonville University, USA*

## Interdisciplinary orthodontic and dental implant case management

Doctor Ouellette will demonstrate adjunctive orthodontic and dental implant case management to the audience for an interactive treatment planning exercise. Complex cases illustrate implant receptor site development, 3D CBCT implant planning and guided surgical procedures. Attendees are invited to bring their own cases to share with the group. Audience participation encouraged during the entire one hour session.

## Biography
