

Brief Interview with Dr. Mario Giorgi

Journal of Clinical & Experimental Pharmacology

1. How many years have you been associated with the current research?

15 years.

2. What is the research topic you are working on now?

Analgesic drug.

3. What are attributes for a quality article?

Novelty, clarity.

4. Do you have any research funding (NIH or other national funding) now?

No.

5. When did you become an editor of OMICS Journal?

2 years ago.

6. Where can the journal find the maximum scope in terms of niche?

In very strict topic journals.

7. What is your greatest career accomplishment?

Be professor in international university.

8. How does the published scientific content assist the potential researchers?

Stimulates clues.

9. What is the purpose of serving as an editor?

Assist the journal as reviewer.

10. Do you have any patents?

No.

11. Have you contributed any editorials or papers (any types) to OMICS Journals in the past two years?

Yes.

12. Do you plan to contribute any editorials or papers to OMICS Journals in the coming year?

May be.

13. How would you define your experience with OMICS Group?

Good.

14. Your opinion on conducting Editorial Board meetings at related Conferences?

I already experienced an OMICS conference (2010). It was fine.

15. Would you recommend OMICS to your friends or colleagues?

Yes.

16. How do you differentiate Journal of Clinical & Experimental Pharmacology with other journals in the field?

Honestly I mainly publish on Vet journals; hence the comparison is not so easy.
