

## 2020 Conference Announcement on 18th International Conference on Paediatrics, Paediatrician and Paediatric Nursing

H. Paramesh

Following the success of the 17th edition of the [Paediatrics](#) Conference and the optimistic reactions of the scientific community, renowned personalities and members of the Allied Journal's editorial board from around the world, we are pleased to announce our next conference "18th International Conference on Paediatrics, Paediatrician and Paediatric Nursing" slated to be held on December 14-16, 2020 in London, UK.

Paediatrics 2020 is focusing under the theme "Gathering towards Advancements in Pediatrics".

This time, London [Paediatrics Conference](#) will be a unique destination to network more than 1000 pediatric and neonatal research communities, as well as internationally active physicians and clinicians. It brings together a host of doctors, directors, faculty, university students and researchers in neonatal and pediatric health care, government representatives and global leaders in the field to improve neonatal and pediatric health care.

Paediatrics 2020 hosts experts in Pediatric & Neonatal Healthcare and participating communities who are confident that they will begin fruitful discussions on important topics in Neonatal and [Paediatrics Healthcare](#) that focus on opportunities for innovation, technology and investment.

We hope to strengthen and leverage the Pediatric Healthcare education and Neonatal care that exceeds expectation, which is why we are hosting the London Paediatrics 2020 and invite all the Neonatologist, Pediatric Healthcare Experts and Child related specialities physicians to take part in this thought-provoking conversation. This Paediatrics Forum in London provides experts & thought leaders with a platform to exchange and deliver ideas that contribute to emphasizing our goals, i.e. a better outcome for all the [children health](#).

The [Paediatrics 2020](#) will include keynote forum, young researcher's forum, and panel discussions with question & answer periods, case reviews, breakout sessions, expo, and B2B networking.

We look forward to seeing in London!
