

## Announcement: Global Summit on Advanced Clinical Dentistry and Dental Treatment, Rome, Italy on October 14-15, 2020

Sherif Abdelaal

We are happy to announce the Global Summit on Advanced Clinical Dentistry and Dental Treatment scheduled to be held in Rome, Italy on October 14-15, 2020.

Advanced Dentistry 2020, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain clinical advancements for a better tomorrow.

The ceremony provides a large number of stimulating presentations throughout the two days event, including distinguished lecture forum, plenary talks, young research forums and poster presentations under the theme "Fostering the Future Excellence of Dentistry Trends for Today's Lifestyle".

Advanced Dentistry 2020 experience is for everyone involved in the delivery, development and organization of Dentistry, as well as those who actively engage in participating in educational programs and researches.

ADVANCED DENTISTRY-2020 event will focus on variety of Advanced Clinical Dentistry and Dental Treatment topics, such Endodontics, Oral and Maxillofacial surgery, Oral Implantology, Oral Cancer, Orthodontics, Pediatric Dentistry, Prosthodontics, Veterinary Dentistry, Cosmetic Dentistry, Dental aesthetics, Facial aesthetics, Restorative Dentistry, Periodontics, Oral Appliance Therapy, 3-D Imaging in Dentistry, Dental Marketing through invited plenary lectures, symposia, workshops, invited sessions and oral and poster sessions of unsolicited contributions.

Advanced Dentistry -2020 is a platform that permits the dedicated and devoted dental professionals to explore their knowledge, their experience, and their achievements in an advanced way. It is to discuss a new and innovative Technologies that the dentistry field has perceived during recent years, which will drive the Dental community one standard up. Dental technology is growing so fast these days, permitting dentists the capabilities that they had never thought possible even just a few years ago. Now a day, people can expect to experience the very best of what modern-day dentistry has to offer. Today, we have many cutting-edge tools in order to deliver even a higher-quality care.

The LONGDOM Conferences is an expert-driven non-profit international conference organizer, initiated to provide an international forum for the appearance and discussions of cutting edge research in the fields of Health sciences, medical Sciences, clinical Sciences, New technologies, engineering Sciences, life sciences and their related research.

The Italy Advanced Dentistry conference expects to compile 150+ participants mainly from Dental Associations, Societies and Universities, Research Scientists, Principal Dentists, Dental Partners or Owners, Dental House Officers, Oral Surgeons, Orthodontists and Periodontists, Dental (Maxillofacial) and Cosmetic Surgeons, Dental Business/Practice Managers, Dental or Oral Hygienists & Therapists and Students.

The scientific contributions towards our Italy Advanced Dentistry 2020 conference are welcome in the form of oral, video, poster presentations/workshops and seminars/networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Advanced Dentistry 2020 conference to attain greater heights and success.

Advanced Dentistry 2020 welcomes all the professionals, professors, students, research enthusiasts, business delegates to venture into complete Dental experience at Rome, Italy on October 14-15, 2020.

Thanks and Regards,

Shanon Jose
