

## **Announcement: World Summit on Infectious Diseases and Therapeutics, Paris, France on March 22-23, 2021**

We are happy to announce the World Summit on Infectious Diseases and Therapeutics scheduled to be held in Paris, France on March 22-23, 2021.

The theme for the Infectious Diseases Conference is “Global Strategies & Innovative Techniques to diagnose, prevent and treat Infectious Diseases”

Infectious Diseases 2021, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Our Infectious Diseases conference 2021 focuses to create a medium to connect eminent personalities from different backgrounds of Viral Diseases, Bacterial diseases, Rare Diseases Fungal diseases, Emerging Diseases, HIV& AIDS, Tropical Diseases, Respiratory Diseases, Paediatric Infectious Diseases, Antibiotics and so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The additional tracks for this edition of our Infectious Diseases conference include Case Studies, Immunology, Infection and Inflammatory Diseases and Microbial Infections and much more.

The London Infectious Diseases conference expects to compile 150+ participants mainly from Infectious Diseases

Associations, Research Scientists, Infectious Diseases Industries, Infectious Diseases Researchers, Business Entrepreneurs, Infectious Academia, Immunologists, Microbiologists, Paediatricians, Physicians, and Academicians, Health Care experts, Society and Organizational Members.

The scientific contributions towards our London Infectious Diseases conference are welcome in the form of oral, video, poster presentations/workshops and seminars/networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Infectious Diseases 2021 conference to attain greater heights and success.

Infectious Diseases 2021 welcomes all the professionals, professors, students, allergists, health care experts, business delegates to venture into complete Infectious Diseases experience at Paris, France on March 22-23, 2021.
