

Awards - Advanced Microbiology 2020

Joanna Kargul

Awards

From the successful completion of several International conferences in the field of Life sciences **Microbiology**, the Longdom group is glad to include another international conference in the series. The conference is titled as **"Pioneering Research on Clinical Microbiology and Infectious diseases"** the conference will be held on **Jul 23-24, 2020** at **London, UK**

The special moment added in the conference is award distribution. The award is to encourage the speakers, participants, Keynote speaker, Young scientist people etc., there are several categories are introducing to provide the awards. The awards will be delivered by the chairperson at the end of the [conference](#).

Outstanding Speaker Awards

The award's objective is to encourage participants to be innovative in the way the research work is delivered to engage the audience.

Judging Criteria:

Originality (weighting 15%) – original research contributing to cumulative knowledge base of field that is likely to inspire peers and has not been presented previously

Research method (weighting 15%) – scientifically sound contention/conclusion supported by robust evidence with critical and coherent analysis

Presentation style (weighting 70%) – novel, innovative, entices high level of engagement and effective mechanism to deliver the research work concepts and conclusions

Best Abstract Awards

All abstracts/papers submitted are critically reviewed by the Scientific Committee as to their eligibility and suitability. They are rated based on the quality of the presentation content, the educational value and the quality of the written abstract. The conference (congress) will offer awards to the three best abstracts (First, Second and Third).

A "Certificate of Appreciation" will be given to 2nd and 3rd nominations from the participant abstracts of the conference.

Please note that;

The jury will only consider the nominated speakers for the Best abstracts awards selection. The jury will evaluate the nominated abstracts according to; uniqueness, title, abstract, and key words.

The applicants of Best Abstracts Awards should register for the conference. The nominated abstracts will not be evaluated in case of not fulfilling the registration requirements.

The awards will be announced at the closing ceremony of the conference and the author(s) of the nominated abstracts should be present at the opening ceremony.

Best Poster Awards

The conference will offer the Best Poster Award to the three best posters (First, Second and Third).

Please read the guidelines below carefully;

All posters will automatically be considered for the Poster Award. 2 reviewers will select the best posters. The winners will be formally announced during the closing ceremony. The three winners of the Poster Award will receive award certificates.

The posters will be evaluated in terms of; design and layout, coherence, argumentation + methodology, awareness of previous work, attractiveness, message and main points, balance of text visuals, and overall impression.

Poster Size: The poster size should be approximately 1x1 M long. Please choose upright format and keep in mind that the font sizes should be big enough to allow your poster to be read from some distance. We suggest using fonts Arial/Times New Roman and font size of 22 – 24 pt. for texts and 60 – 70 pt. for headings. You are kindly asked to bring your poster fully assembled and printed.
