

Awards@Geriatric Care 2020

Craig Nelson

Department of Psychiatry, University of California, San Francisco, California, USA.

Expert Level (Scientific Service Achievement Award)

The expert level award is given to the experts who have made outstanding contributions to advancements in the field of Geriatric Care. It is the most esteemed award of the entire conference and is labelled as Scientific Service Achievement Award. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the field of Geriatric Care in public or private sector. The receiver of this award should have a dedicated fascination and interest towards research in the field of Geriatric Care.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Geriatric Care research field in the public or private sector for experts having research knowledge at 10+ years in the field of Geriatric Care with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award through online.

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Geriatric Care. Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award through online.

Women Scientist (The Women of Science Award)

Our Conference provides a unique platform for women scientists for presenting latest research projects with an

in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.
