

Polymer Chemistry 2020 Past Conference Report

The “3rd World Congress on Biopolymers and Polymer Chemistry” was hosted by Allied academies during February 24-25, 2020 at the Olimpica 4, Rome, Italy and was a great success where eminent Keynote Speakers, Speakers, Delegates, Sponsors and Poster Presenters from various reputed companies and Universities made their resplendent presence and addressed the gathering and also marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists representing more than 10 countries, who made this conference fruitful and productive. This conference was mainly focused on the Theme- “Accelerating the research trends and recent innovations in Polymer Chemistry”.

Polymer Chemistry 2020 witnessed of excellent speakers who enlightened the crowd with their knowledge and confabulated on different unique themes identified with the field of biopolymers and polymer chemistry.

We would like to convey a great appreciation to following eminent people, honourable guests and Keynote speakers.

Mikko Kanerva, Tampere University, Finland

Karol Leluk, Wrocław University of Science and Technology, Poland

Tatiana Kulagina, Russian Academy of Sciences, Russia

Special thanks to our Honorable Moderator, Dr. Saad A Alkahtani for his remarkable contribution towards smooth functioning at Polymer Chemistry 2020 Conference.

We would specially thank full to our Sponsor ACS Publications for supporting us along with their associated journals named Macromolecules, BioMACROMOLECULES, and Macromolecules where they had made themselves known to our conference participants providing relevant research opportunities in the booming fields of Polymer chemistry and polymer processing.

Allied Academies would like to convey a warm gratitude to Chairs and Co-chairs who contributed effervescently for the smooth functioning of the event, D V Lenin, Central University of Gujarat, India and Stefan Cichosz, Institute of Polymer and Dye Technology, Poland.

Our sincere gratitude to Organizing Committee Members for their gracious presence, support and assistance towards our conference and with the tremendous feedback from the participants and supporters of Polymer Chemistry 2020.
