Editorial highlights for Journal of Advanced Chemical Engineering for the year 2019

Introduction

Journal of Advanced Chemical Engineering provides the bi-annual publication of articles in all areas related to but not related to Industrial Chemical Technology, Corrosion Engineering, Biochemical Engineering, Chemical Process Safety, Mass Transfer, Chemical Reactors. Journal of Advanced Chemical Engineering welcomes the submission of manuscripts that meet the general criteria of significance and scientific excellence. Papers will be published approximately one month after acceptance.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, CAS Source Index (CASSI), Google Scholar, Genamics JournalSeek, CiteFactor, Directory of Research Journal Indexing, Open J Gate, RefSeek, Hamdard University, EBSCO A-Z, Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed (PubMed NLM ID: 101568098).

During the calendar year 2019, ACE received a total of 06 papers, out of which 03 articles (60%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 03 articles were subjected for publication after they are accepted in the peer review process. In the 2 issues of Volume 9 published during the year 2019, a total of 03 articles were published (at an average of 6 articles per issue) of which, articles were published from authors

all around the world. A total of 100 research scientists from all over the world reviewed the 03 articles published in volume 9. Average publication lag time of an article was further reduced to 2-3 weeks.

Journal of Advanced Chemical Engineering also announces its new association with Longdom group for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its original website <https://www.longdom.org/advanced-chemical-engineering.html> parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

Association with Longdom group has increased Readership Metrics (By Google Analytics) of Oral Health and Dental Management Journal which can be accessed at <https://www.longdom.org/advanced-chemical-engineering/advertising.html>

I take this opportunity to acknowledge the contribution of Editor-in-Chief: Joseph D. Smith (USA), Junwang Tang (USA), Fawzi Banat (USA) and Executive Editors: Panagiota Angeli (UK), Giovanni Palmisano (UAE) during the final editing of articles published and the support rendered by the editorial assistants: Dr. Vincenzo Vaiano, Mariano Martin and RAJA RIZWAN HUSSAIN in bringing out issues of ACE in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of ACE, the office bearers for their support in bringing out yet another volume of OHDM and look forward to their unrelenting support to bring out the Volume 10 of ACE in scheduled time.
