

## Editorial Note for Journal of Clinical and Medical Sciences

**Kulkarni M\***

*MES Garware College Pune, Maharashtra, India.*

Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Journal of Clinical and Medical Sciences (ISSN: 2593-9947) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 03 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

This journal aims to disseminate information on current Clinical and Medical Sciences with facts on technological advancements that took place in treating the cases. Articles are welcome in the form of research articles, review articles, case reports, short communications and commentaries on relevant topics. The editorial office ensures a rigorous peer review process for the submitted manuscripts for maintaining the quality of publishing and in achieving high journal impact factor.

The Journal of Clinical and Medical Sciences is open access journal which considers topics on medical specialty (Surgical or internal medicine, Age range of patients, Diagnostic or therapeutic, Organ-based or technique-based), medicine, radiology, serology, pathology, Surgery, neurology, anesthesiology, allergology, angiology, bacteriology, biomedicine, epidemiology, forensic medicine, forensic pathology, geriatrics, gerontology, geriatrics, gerontology, biomedicine, immunology, virology, pathology, diagnostics, nosology, radiology, serology, surgery, orthopaedics, orthopaedics, Biotechnology, Clinical Pharmacology, Neuroscience, Clinical Medicine, Clinical Significance, Clinical Trial, Critical Care Medicine, etc.

Journal of Clinical and Medical Sciences also announces its new association with Longdom group for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its original website <https://www.longdom.org/clinical-medical-sciences.html>

parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

Association with Longdom group has increased Readership Metrics (By Google Analytics) of Journal of Clinical and Medical Sciences which can be accessed at [Google Analytics Metrics for the Journal of Clinical and Medical Sciences](#).

In order to create awareness regarding the current research in the field of Clinical and Medical Sciences research I have posted all the 2019 articles on the social media such as twitter which ultimately helps to gain more citation and page views and publicity of our journal.

I take this opportunity to acknowledge the contribution of Editor: Dr. Hironobu I (Japan), Upendra K Kar (USA), Jason Xiaojun Cheng (USA), Puhon He (USA), Wei Zhang (China) during the final editing of articles published and the support rendered by the editorial assistants who helped in bringing out issues of JCMS in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JCMS, the office bearers for their support in bringing out yet another volume of JCMS and look forward to their unrelenting support to bring out the Volume 06 of JCMS in scheduled time.
