

Editorial Note for Tumour Research and Reports

Bella Adley*

Journal of Tumour Research and Products, Spain

Keywords: Editors; Tumour

EDITORIAL

Pleased to mention that during the year 2020, Volume 5 was published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. Journal of Tumour Research and Reports during this year of 2020 released 3 issues jumping from the frequency of 2 in the previous years and now in 2021 frequency of the Journal has changed to bimonthly which ultimately leads to six issues in a year. The Journal of Tumour Research and Reports has its article indexed and archived in RefSeek, Hamdard University and EBSCO A-Z. During the calendar year 2019 and 2020, JTRR received a total of 30 papers, out of which articles (20%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 and 2020, around 24 articles were subjected for publication after they were accepted in the peer review process. A total of 24 articles were published (at an average of 6 articles per issue) of which, articles were published from authors belonging mostly to the high-income countries. A total of 45 research scientists from all over the world reviewed the 24

articles published in Volume 4 and Volume 5. Average publication lag time of an article was further reduced to 2-3 weeks. During the calendar years 2019 and 2020, a total of 15 Editors, 40 Reviewers joined the board of JTRR and contributed their invaluable services towards contribution as well as publication of articles. Within four months of 2021, 10 new Editors and Reviewers were added and many new manuscripts were received from various countries. Dr. Ahmad Hussein Alswered joined Editorial Board of Journal of Tumour Research and Reports as an Editor in January 2021 who has specialty in Oncology and Cancer.

I take this opportunity to acknowledge the contribution of Ahmad Hussein Alswered during the final editing of articles published and the support rendered by the editorial board member, Dr. Saurabh Agarwal in bringing out issues of JTRR in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JTRR, the office bearers for their support in bringing out yet another volume of JTRR and look forward to their unrelenting support to bring out the Volume 6 all Issues of JTRR in scheduled time.
