

Green Chemistry & Technology Award content 2020

Christer Forsgren

[Green Chemistry & Technology](#) 2020 will encourage scientists and researchers & young researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea by felicitating them with the various Awards in their respective fields. The Main aim is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledge. “**Green Chemistry & Technology 2020**” The theme of the conference is “**Green Chemistry & Technology**”. Which is going to be held on **October 14-15, 2020** at USA.

The Sponsor & Exhibitor in the [Green Chemistry Congress 2020](#) will get chance to expose themselves to new clients, customer, business, brand awareness and media exposure. Our sponsorship has categorized with Premium Sponsorship Packages: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Media Partner, Collaborator, Additional Sponsorship Packages and Advertisements.

Our Conference series categories seek to acknowledge Scientists, Researcher, Professor, Industrialists, and Students in various scientific fields who are making an outstanding contribution to the world of Science for the better and healthy future.

We have classified our recognition category in two:

Academic Awards (In conference):

Best Speaker Award

This Speaker award seeks to recognise an individual who have demonstrated excellence when it comes to elaborating the presentation with an ease in Speaker Sessions through an on-going high-quality standard of his experience.

Keynote speakers are a necessary part of an event and circular for its success. The keynote speech is the foremost important hour of an entire event, as a result of this can be the speech at the start of an occasion that sets the tone or determines the underlying theme and therefore the mood for an occurrence. Keynote speakers are designated for their excellence in a particular field and their ability to attract an audience.

Best Research Award

This [Research](#) award seeks to appreciate an individual or team who have displayed excellence when it comes to research in their respective area, with high-quality standard of their efforts to make it possible for new innovation.

Researcher Award is an initiative with the intention of supporting researchers. This award recognizing for Masters \Ph.D.\ Post degree thesis work presentation who will present their projects and thesis that have been implemented to improve long run excellence within the field of Green Chemistry & Technology.

Best Young Researcher Award

This Young Researcher award seeks to encourage students in taking active part in the International Science platform to sharpen their skills and knowledge in their early stage of career graph.

The Young Researcher Award is an initiative with the intention of supporting young researchers. This award recognizing for Masters\Ph.D.\Post degree thesis work presentation who will present their projects and thesis that have been implemented to improve long run excellence within the field of Green Chemistry & Technology.

Best Poster Award

This Poster Award seeks to appreciate an individual who have displayed excellence when it comes to expose research in poster presentation category, with high-quality standard of their efforts to make it possible for new ideas and innovation.

To encourage students and up to date graduates to present their original research. [Green Chemistry](#) aims at setting a platform for all the budding scientists and researchers to present their woks and share their views and aspects related to the theme of the conference.

Best E-Poster Award

This E-Poster Award seeks to appreciate an individual who have displayed excellence when it comes to expose research in E-poster category.

Business Awards (In conference):

Best Sponsor Award

This Sponsorship award seeks to recognise an individual company or organization that has supported our attendees or participants to improve their research, by providing an opportunity to expose their research in an innovative project or scheme.
