

Joint Meet 30th International Conference on Cardiology and Healthcare & 8th International Conference on Hypertension and Healthcare August 10-11, 2020, Webinar

Editorial Note

We had a huge success with the merge of 30th International Conference on Cardiology and Healthcare Webinar and 8th International Conference on Hypertension and Healthcare Webinar scheduled on August 10-11, 2020.

The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their knowledge, research work, technologies, and furthermore trade of worldwide information towards the correct crowd at ideal time. Congress has received a generous response from all over the world.

This has been organized with the aim to the corporate community and to create a platform for the exchange of information on technological developments, new scientific modernization and the effectiveness of various regulatory programs towards Cardiology Care 2020 and Hypertension Meeting 2020. The conference was organized around the theme "With Wealthy Heart-The Beat Goes On". The congress entrenched a firm relation of future strategies in the field of Cardiology.
