

Past Conference Editorial of Applied Psychology 2020

Conference Series LLC Ltd hosted the “Applied Psychology 2020”, during October 12-13, 2020 at Zurich, Switzerland with the theme- “Scientific advancement and exploration in applied psychology and psychiatry”, which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence. We extend our grateful thanks to all the momentous speakers, conference attendees who contributed towards the successful run of the conference.

The goal of Applied Psychology 2020 is to deliver an outstanding program for exchange of ideas and authoritative views by leading scientists which covers the entire spectrum of research in Psychology and Psychiatry and share the cross-cultural experiences of various treatment procedures.

It a unique forum to bring together worldwide distinguished academics in the field of Psychology and Psychiatry, Stress researchers, public health professionals, scientists, academic scientists, industry researchers, scholars to exchange about state of the art research and technologies.

Conference Series LLC Ltd extends its warm gratitude to all the Honorable Guests and Keynote Speakers of “Applied Psychology 2020”.

- Allison Lamont, Auckland Memory Clinic, New Zealand
- Richelle J. Schaefer, University of Mannheim, Germany
