

Invitation: Be the Part of our Editorial Board

Rebecca Williams*

Managing Editor, Journal of Membrane Science and Technology, Spain

EDITORIAL INVITATION

Journal of Membrane Science and Technology is Inviting New Editorial Board Members. Journal expands, we must also ensure that the journal does not fail to deal with this higher number of submissions while keeping up our high editorial standards. Therefore, we are looking to expand our editorial team.

We would like the applications from researchers with a background in one of the disciplines below:

- Membrane processes (Microfiltration, Ultrafiltration, Nanofiltration, Reverse osmosis, Electrodialysis, Dialysis, Reverse Electro dialysis, Membrane distillation, Photovoltaic (PV), Forward osmosis, Vapour Permeation, Capacitive, Deionization, Graded permeability, Membrane bioreactor etc.)
- Membranes formation/structure/performance
- Membrane transport
- Fouling and module/process design
- Processes/applications in various areas
- Process modelling and optimization
- Whip-smart membranes for new applications
- Biological membranes
- Non-biological membranes
- Membrane types and structure
- Food technology

- Biotechnology
- Use of membrane technology in food, pharmaceutical, oil and gas, waste water, chemical and biotechnological industries.

CRITERIA

We are looking forward to individuals who are committed to Science data. Our Editorial Board Members must have a minimum of 25 research papers published in reputable, journals that follow peer-review.

ROLE AND RESPONSIBILITIES

The Editorial Board Member is fundamentally responsible for Evaluating manuscripts for their appropriateness for peer review, choosing suitable reviewers who meet the Journal's requirements.

An Editorial Board Member for Journal of Membrane Science and Technology must be engaged at least two manuscripts per month within their field of expertise.
