

## 5th Annual Conference on Brain Disorders, Neurology and Therapeutics- Awards 2020

### Haijun

[PULSUS](#) is a renowned organization that organizes highly noteworthy conferences throughout the globe.

[PULSUS Conferences](#) invites all the participants from all over the world to attend “5th Annual Conference on Brain Disorders, Neurology and Therapeutics” under the theme “[Scientific insights of Brain Disorders and Neurology Research](#)” during April 20-21, 2020 at Tokyo, Japan. This includes prompt keynote presentations, Oral talks, Poster presentations and Exhibitions.

[Brain Disorders 2020](#) would be platform for interconnecting National and International experts, researchers and decision makers both from academia and industry from all over the world to exchange their knowledge, expertise and research innovations in the arena of Brain disorder, Neurology and Therapeutics. These [Brain Disorders](#) and Neurology conference is a channel for exchanging idea and learning on Brain injury, Brain tumor, Brain Disorder, Neurology, Neuroscience, Neuroimaging and Neurological disorder.

### Best Poster Awards

Student Poster Competition is organized at Pulsus Academies, to encourage students and recent graduates to present their original research which will be later published in the [Pulsus Academies](#) Journals. All accepted abstracts will be presented at the poster sessions during the conference. Pulsus Academies aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference.

#### Benefits:

- Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation
- Best poster Award: 3 best posters will be awarded at the closing ceremony of the conference
- The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF
- Best posters will be given an opportunity to publish the full work at discounted processing charges in the supporting international journals

### Young Researchers Forum

Haijun

Professor of neuroscience, an assistant Dean of College of Biology, a director of International Science and Technology Cooperation Base of Biomedicine and Life Analytical Chemistry, Hunan University, E-mail: [haijuntu@hnu.edu.cn](mailto:haijuntu@hnu.edu.cn)

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the Conference on [Brain Disorders](#), to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Pulsus Academies cordially invites Young Researchers from Universities/Institutes/Industries to present a short oral presentation during the forum. These oral presentations should be of 10 minutes duration in related scientific track followed by 5 minutes question hour. Therefore, presenters are encouraged to give comprehensive and dynamic talks. Applications will be selected based on past research productivity and future promise.

#### Benefits:

- Advancing perfection and perceiving remarkable commitments made by the youthful researchers for their work done essentially during the span of study.
- Find out about career advancement and the most recent research devices and technologies in your field.
- Graduates are motivated by the chance to choose neighbourhood or worldwide subjects of pertinence/enthusiasm to them and build up their own logical examinations and models drawing in locally or universally.
- Two researchers will be chosen for the Awards.
- Chance to be a student envoy.
- Chances to coordinate with partners around the world
- Discounts at the Allied Academies conferences, at different worldwide venues in future.
- Chance to distribute full length papers in rumoured supporting international journals of respective conference
- **Best Young Scientist Award** introduction will be named by the board and if they wish to publish the full-length paper, they can publish in supporting worldwide journals of the respective conference at free of preparing charges.
