Oladele Osibanjo

By the successful completion of series conference in the field of [Recycling](#), we are glad to include another international conference in the series. The conference is titled as “**Current Trends in Recycling and E-Waste Management**” the conference will be held on **May 04-05, 2020** at [Vienna, Austria](#).

The most important category awards are:

1. Best Keynote Speaker.
2. Best Speaker
3. Poster presentation Award
4. Young Scientist Award
5. Best Question Award

Longdom Conferences has taken an initiative to felicitate attendees with awards to recognize, celebrate and encourage achievement in its various conferences and events. We salute and acknowledge attainment within an industry that is continuously evolving and re-drawing the boundaries of best practice. These awards represent the pinnacle of professional achievement for event professionals. To win an award you will have been endorsed by our illustrious panel of the foremost industry professionals which is a sure-fire signifier of your formidable credentials.

**Outstanding Speaker in Recycling 2020:** This award recognizes academic and business speakers for their excellent presentation skills and for the significant contribution that they make to their professions, their teams and their patients through their practice, leadership or research endeavor. Recipient of this award will be chosen by the session chair and co-chair. The awardee will be felicitated after the completion of oral session. Our Recycling conferences encourage researchers from across the globe to take part as a speaker at these prestigious events.

**Best Key Note Speaker Recycling 2020:** This award recognizes the notable presentations given during the course of the event. It also recognizes the enthusiasm and

determination of the speaker to improve the experience of all who they come into contact with. The award will be given based on the impact of presentation on the attendees of the event. We will also be taking into account the references taken from the citations of the keynote speaker. This awardee will be felicitated by one of the members of the organizing panel present during the conference.

**Best Organizing Committee Member Recycling 2020:** This award seeks to recognize the continuous support provided by the Organizing Committee Member of the conference. Recipient of this award will be selected by the operating committee of the event. The award will be given based on the support and cooperation provided by a member of the organizing panel from the beginning to the successful completion of the conference.

**Outstanding Masters/Ph.D/PostDoc Thesis work presentation in Recycling 2020:** This award seeks to recognize the young brains of the current era. Recipient of this award will be selected by the judge of the Young Researchers Forum. This award will be given based on the presentation skills, impact of research and its applications for the Biofuels sector. Participants pursuing Masters, PhD or Post-Doctoral studies are eligible for this award. The awardee will be felicitated after the completion of all the oral presentations delivered under the Young Researchers Forum category.

**Best Poster Award Recycling 2020:** This award recognizes the best poster presentation given during the course of an event. Recipient of this award will be selected by the judge of the poster session. An award winning poster will be evaluated on presentation content and clarity, innovativeness of approach, communication criteria and scientific aspects. It will also be based on layout, insights, analysis and results description. The awardee will be felicitated after the completion of poster session. The awards given for our Recycling conferences recognize

the wide range of responsibilities and dedication of Recycling professionals who promote the highest standards of care across the whole environmental service. Recycling events make a huge contribution in maintaining and protecting the Environment.
