

## Young Research Forum– Young Scientist Awards: Lung Cancer 2020, Brisbane, Australia, November 16-17, 2020

### Laksmi Wulandari

Lung Cancer 2020 invites research scholars & young scientists, to submit the nominations [for Young Scientist Awards](#): Lung Cancer 2020. The Lung Cancer 2020 Young Scientist Awards will be announced at the upcoming “International Conference on Frontiers in Lung Cancer” at Brisbane, Australia this November 2020.

This Young Scientist Award is an initiative of Conference Series to provide recognition to the Young Researchers who have shown great potential in their respective fields of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum - Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts

### About Conference Series:

Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, Pharmaceutical, Engineering, Technology, Business Management, and Life Sciences across America, Europe, The Middle East, and Asia Pacific. It is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe.

### Eligibility Criteria for Young Scientist Awards: Probiotics Asia Pacific 2020:

The Lung Cancer 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who have involved themselves in the R&D sector. The candidates should have a minimum of 3+ years of research experience and published a minimum of 3 research articles in international journals. Part-time researchers can be considered subject to recommend by the research guide or any director level designated person from the organization.

### Basis for Judging:

Nominated candidates need to present their research or talk

for 25-30 minutes. The subject should be under the scope of the Lung Cancer 2020 conference. Selection will be based on individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation.

### Nomination:

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The first author must be the student & the student’s advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the [Lung Cancer conference](#): Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty organization heads) to [lungcancer@asiameets.com](mailto:lungcancer@asiameets.com) along with the online application at the Lung Cancer 2020 Award page.

### Presentation:

This award will be presented at Tokyo during [Lung Cancer 2020](#) conference.

### Prize:

- We will recognize the awardee(s) with a Memento, & Certificate of Appreciation followed by a special incentive for the next chapter of the conference.
- The prize-winning papers will be considered for publication in the supporting journals subjected to standard review procedures.
- Opportunity will be given to be the Student Ambassador for the subsequent future conferences.
