

Young Researchers Forum - Young Scientist Awards { Neonatal 2020 }

Lala Behari Sukla

Prestigious Award for [Young Research's](#) at Neonatology and Pediatrics Conference 2020-Discovering New Exploration in Neonatology and Pediatrics field. {Neonatology and Pediatrics Conference Committee } is glad to announce “**International Conference on Neonatology and Pediatrics Research**” during July 30,31 2020 in Rome, Italy by specialise in the theme: “**Exploring the Current Challenges and Promote Excellence in Child Care**”

Neonatal 2020 developments are maintaining their momentum. [Neonatology](#) and Pediatrics Conference program delves into strategic discussions. Neonatal 2020 will serve an excellent opportunity for the delegates of universities and Institutions because it allows young researchers to interrelate with world-class Neonatologists, scientists and Pediatricians.

Neonatal 2020 won't simply be a stage estimation during a gigantic event of individuals, yet additionally, it's an effort to spread research advances within the ever evolving-field of Neonatology and Pediatrics. This conference will help the attendees in building a robust professional network by facilitating a fresh perspective of ideas, knowledge in recent advancements, one-on-one engagements and streamlining of techniques. [Neonatal 2020](#) is organized under the assumption that one-on-one interactions and discussions open door to innovations and inventions. We are proud facilitators of such a chance.

Criteria for Selection:

Showcase your research through oral presentations.

Learn about career development and therefore the latest research tools and technologies in your field.

This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research.

Develop a foundation for collaboration among young researchers.

The forum will provide a chance for collegial interaction with other young investigators and established senior investigators across the world. Interact and share ideas with both peers and mentors.

Opportunity for young researchers to find out about the research areas of their peers to extend their capacity as multidisciplinary researchers.

Actively distribute information and promote the advantages of education and career matters.

Conference Highlights:

- Lung antioxidant defences
- Neuroimaging and neurodevelopmental outcomes
- Mitochondrial biology
- Biomarkers of neonatal sepsis
- Neonatal pharmacokinetics
- Development of the contruncal region of the heart
- Effect of maternal obesity on the fetus
- Oxidative stress mediated gene regulation
- Management of myelomeningocele
- Intestinal Microbiome in Neonatal Health and Disease
- Prevent fungal disease in premature infant
- Neonatal iron deficiency
- Nutrition and brain development
- Inflammation and brain development
- Neonatal thrombocytopenia and its treatment
- Surfactant protein processing and physiology
- Intrauterine growth retardation and insulin resistance
- Serum biomarkers in necrotizing enterocolitis

Neonatal 2020 Young Scientist Awards:

{Neonatology and Pediatrics} Conference Committee is meant to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a robust professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of {Neonatology and Pediatrics }. Young Research's Awards at Neonatal 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Neonatal 2020 young research forum.

Awards & Rewards:

- Showcase your research through oral presentations.

- Learn about career development and therefore the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide a chance for collegial interaction with other young investigators and established senior investigators across the world.
- Interact and share ideas with both peers and mentors
- Opportunity for young researchers to find out about the research areas of their peers to extend their capacity as multidisciplinary researchers.
- Actively distribute information and promote the advantages of education and career matters.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Neonatal 2020 provides best platform to expand your network, where you'll meet scientists, authorities and CROs from round the world. It's some time to grab the chance to hitch Neonatal 2020 for promoting your research article and to facilitate prestigious award altogether categories. During this fame, we glance forward for your contribution and astonishing dedication to form our Neonatal 2020 more successful.

Aina Smith,

Program Manager | Biotechnology 2020
