

Young Researchers Forum-Young Scientist Awards for Gene Technology

2020-2021

Aditya Christopher

Prestigious Award for Young Research's at **[Digital Gene Technology & Gene Technology Week 2021]** - Discovering New Exploration in { **Digital Pathology & Gene Technology Week 2021** } field.

{Digital Pathology & Pathology Week 2020} Conference Committee is glad to announce "**Digital Gene Technology & Gene Technology 2021**" during **OCT 5-6, 2020** in **Barcelona, Spain** by focus on the theme: "**Gene Technology**".

[Digital Gene Technology & Gene Technology Week 2021] developments are maintaining their momentum. Digital Pathology & Pathology Week Conference program delves into strategic discussions.

[Digital Gene Technology & Gene Technology Week 2021] Young Scientist Awards:

{Digital Gene Technology & Gene Technology Week 2021} Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of **{Digital Gene Technology & Gene Technology Week}**.

Young Research's Awards at **[Digital Gene Technology & Gene Technology Week 2021]** for the Nomination: Young Researcher Forum-Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the **[Digital Pathology & Gene Technology Week 2021]** young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for your research through oral presentations

- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co- author).
- Age limit- Under 35yrs
- All submissions must be in English.

[Digital Gene Technology & Gene Technology Week 2021] provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join **[Digital Gene Technology & Gene Technology Week 2021]** for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our **[Digital Gene Technology & Gene Technology Week 2021]** more successful.
