

Young Researchers Forum - Young Scientist Awards World Cancer

Hoda Dahroug

Conferences Series LLC take great pleasure in inviting the scientific community across the globe to the 8th International Conference on Medical Informatics & Telemedicine during July 27-28, 2020 at Zurich, Switzerland. This meeting will explore advances in the Medical Informatics and Telemedicine. The conference will serve as a platform to bring together young scientist, leading scientists, researchers, organizations and all representatives of company sectors with different specialities such as Medical Informatics Professionals and Telemedicine Professionals. This event is an open forum specifically dedicated for young investigators (i.e. students, PhD candidates and early stage postdocs) working in all fields in the broader area of Cancer and Oncology. This forum will not only discuss state-of-the-art science to broaden the scientific knowledge of the participants but allow the young researchers to benefit as well from several specifically designed interactive sessions to advance their own career/ research.

The conference will acknowledge those participants and organizations that have remarkably added to the value to scientific community by awarding Young Scientist Awards and Best Poster Awards.

Young Researchers Forum- Young Scientist Awards

The Award is given to individuals in recognition of excellent performance in terms of scientific publications or presentations during the early stage of their scientific career. It also recognizes who have collectively made unique and significant contributions to the scientific community related to the conference theme. It also provide platform to professional networking with researchers of similar interest from others part of the world and also encourage the participants in taking active part in the International Science platform to sharpen their skills and knowledgebase.

Guidelines for Young Researchers Forum- Young Scientist Awards

Benefits

- Showcase your research through oral presentations.
- Learn about career development and the latest research tools and technologies in your field.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.

Eligibility

- Young Scientist (e.g. Post-Graduate students, Postdoctoral fellows, Trainees, junior faculty) are the

focus of this event.

- Each individual participant is allowed to submit only one or two paper, it must include at least one co-author (Guide ,Professor)
- None of the authors should have senior position or faculty position.
- Participants should be below the age of 35 years.

Best Poster Presentation – Best Poster Awards, Cancer and Oncology

The Best Poster Award is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase. This Award is to highlight good quality posters presented at the Annual Meetings. The Award will be given to the best students, PhD candidates and early stage postdocs.

Guidelines for Best Poster Presentation – Best Poster Awards

Benefits

- This award will be provided to participants like student and recent graduates to present their original real-time work and share their views and aspects related to the theme of the conference.
- Award should motivate participants to strive to realize their full potential which could in turn be beneficial to the field as whole.

Eligibility

- This competition is open to all students (Graduates, Post Graduates and Research Scholars).
- Abstracts have to be submitted through online or by email.
- If the registered author/poster presenter is unable to attend the conference he/she may send a substitute who can be a co-author (or) any member from the same institution.

Judging Criteria

- The judgment will be done by Board of Jury.
- You will be given about 8-10 minutes to present your poster including questions and answers.
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement.
