The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers. Climate Change Congress 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Climate Change Congress 2020. This Climate Change Congress 2020 Young Scientist Awards will be announced at the upcoming 10th International Conference on Environment and Climate Change September 21-22, 2020 Abu Dhabi, UAE

Young Researcher Sessions are organized at the Climate Change Congress 2020, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Conference Series LLC Ltd cordially invites Young Researchers from Universities/Institutes/Industries to present a short oral presentation during the forum. These oral presentations should be of 10 minutes duration in related scientific track followed by 5 minutes question hour. Therefore, presenters are encouraged to give comprehensive and dynamic talks. Applications will be selected based on past research productivity and future promise.

This Young Scientist Award is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown a great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of Research and Innovations. The core of our Young Research Forum - Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Climate Change Congress 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

About Conference Series:

Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, and pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and Asia Pacific. It is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe.

We encourage our authors and conference participants through research and travel grants, young research awards and provide assistance in career development and research guidance through 1000+ collaborations with NGOs, scientific and academic agencies, institutions that have signed with us.

About Conference:

Climate Change Congress 2020 provides a great platform to explore concepts with topics that Climate Change and Health, Biodiversity and Climate Change, Environmental Sustainability and Development, Ocean and Climate Change, Climate and Coastal Stressor, Renewable Energy, Greenwashing, Carbon Cycle and Carbon Footprint, Trade and Climate Change Policies, Climate Changing Cloud Heights, Climate Change Risk, Policy, and Law, Endangered Species and forestry, Space Monitoring of Climate Variable, Vital Signs of the Planet, Causes and Effects of Climate Change, Control Climate Change, Recycling. The theme of the conference is "Climate Change: The Real Issue in Today's Generation". We welcome all the Environmental engineers, All Specialists, Climatologists, researchers, Chemical engineers and students and delegates to take part in the meeting to share views and knowledge through keynote, poster and video discussions in the field of Environment and climate change. This conference provides an excellent opportunity to discuss the latest developments and challenges within the field.

Nomination:

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors) Research guide. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the Climate Change Congress 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser / faculty/ Organization heads) to environment@memeetings.com along with the online application at the Climate Change Congress 2020 Award: [page](#).

Presentation:

This award will be presented at Abu Dhabi during Climate Change Congress 2020: Conference.

Prize:
