

## Young Scientist Awards Cell and Stem cell 2020 Conference

Sasha Shafikhani

Lexis Conferences invites the participants from all over the globe to take part in “**World Congress and Expo on Cell and Stem Cell Research**” during July 27-28, 2020 at Chicago, USA. The conference focuses on the theme: “**Stem Cell Research- Hope against hype**”. Scientific sessions designed for this conference will assist the attendees and participants to learn extremes.

**Cell and Stemcell 2020 Conference** aims to bring together the pioneers in both basic and translational stemcell research and cover the research studies, fundamentals of cell and stemcell, Stemcells, Stem cell therapy, Stem cell Epigenetics, Stem cell Niches, Stem cell biomarkers, Diseases and Stem cell treatment, Stem cells Therapies, Stem cells technology, Cell and organ regeneration, Applications of stem cells. Cell and Stemcell 2020 Conference brings you an immense opportunity to be a part of scientific acceleration to Clinical organizations, Pharmaceutical researchers, Educational institutes world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for revolutions in the field of Cell and Stem cell 2020 Conference which brings well versed scrutinizers at one place.

Prestigious Award for Young Research's at Cell and Stemcell 2020- Discovering New Exploration in Cell & Stemcell field Cell & Stem cell Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Cell & Stem cell.

### Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.

- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

### Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

**Cell & Stem cell 2020** provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join **Cell & Stem cell 2020** for promoting your research article and to facilitate prestigious award in all categories. The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

### How to apply

Candidates applying for the Young Researcher Award should send their resume, and a letter of recommendation (from a research adviser for students or a senior faculty member) to [cellandstemcell@eventqueries.com](mailto:cellandstemcell@eventqueries.com) along with the online application form below.
