8600 Rockville Pike
Bethesda, MD 20894

To whom it may concern,

I am writing on behalf of the Journal of Clinical and Experimental Pharmacology. I strongly recommend this journal to be indexed in PubMed Central. The Journal staff and editorial board members have worked hard for the journal to establish its high professional standing.

Sincerely yours,

S. Hossein Fatemi, M.D., Ph.D.
Associate Chair for Neuroscience and Translational Research
Bernstein Endowed Chair in Adult Psychiatry
Professor of Psychiatry, Pharmacology and Neuroscience
University of Minnesota Medical School
