Recommendation letter

To the attention of:

**National Library of Medicine
Building 38A - Room 4N-419
8600 Rockville Pike
Bethesda, MD U.S.A. 20894**

Dear Sirs,

I would like to strongly recommend the Journal of Carcinogenesis & Mutagenesis to be indexed in PubMed Central. It is worth to emphasize that The Journal staff and editorial board members have worked very hard for the Journal to establish its current high professional standing.

08.07.2013

Lubomir M. Stoilov, Professor, Ph.D.

IFRG- BAS
Department of Molecular Genetics
Sofia, Bulgaria
