To whom it may concern

I am writing in support of the application of the *Journal of Membrane Science and Technology* to be included in indexing in PubMed. The *Journal of Membrane Science and Technology* is rapidly becoming a major research resource for all areas of membrane science. I strongly recommend the *Journal of Membrane Science and Technology* to be indexed in PubMed.

Respectfully

Rickey P. Hicks

Editor, *Journal of Membrane Science and Technology*

Professor and Chair, Department of Chemistry
